Judge a gun rights organization by what it delivers:  
What do your GRNC membership dues buy?

- A highly effective Legislative Action Team to defend your rights both in Raleigh and Washington.
- GRNC's "Remember in November" project, which gives accurate evaluations of all state and federal candidates to more than 150,000 gun-owning voters in each election.
- GRNC's many legislative efforts on behalf of gun owners, including passing concealed carry, concealed handgun reciprocity and our law allowing concealed handgun permit-holders to bypass sheriffs' restrictions on handgun purchase permits.
- Recent legislative efforts include Castle Doctrine, concealed carry in parks and restaurants, the ability to keep firearms in locked vehicles at work, and more.
- GRNC legislative alerts on time-critical gun issues, and GRNC's newsletter, *The GRNC Activist*.

## What do national gun rights advocates say about GRNC?

*"GRNC is the lead group in volunteer grass roots organizations in the country to retake our freedom and retake our Constitution."*

— Larry Pratt, Executive Director  
of Gun Owners of America.

*"GRNC is the most hard core, most serious, most effective grass roots state organization I have ever seen."*

— John Ross, author  
of Unintended Consequences.

*"For years, Grass Roots North Carolina has stood on the front lines in the battle to preserve and defend our Second Amendment Rights. Gun owners have a trusted friend in GRNC and they have shown that trust time and time again at the polls on Election Day. I am proud to have earned GRNC's support in the past and look forward to working with them in the future as we continue the fight for the rights of law-abiding gun owners."*

— Congressman Patrick McHenry
